Dear Liliane,

I hope this message finds you well.

On behalf of Caritas Volyn and all those we serve, I want to express our deepest gratitude for the most recent truck of humanitarian aid sent by you and the incredible OPE team.

Thanks to your unwavering support, we received a wide range of essential items, including:

- hospital beds and chairs
- clothing and shoes
- blankets and warm clothing
- sportswear for children and youth
- kitchen supplies
- hygiene products
- bed linens and towels for hospitals
- medical materials and anesthesia equipment
- patient monitors
- bicycles

We are already in the process of delivering these goods to communities that have been heavily affected by shelling and war-related damage. This support will directly benefit hospitals, displaced families, elderly people, and children in urgent need.

We are especially thankful to the women who lovingly sorted and packed each item with such care, and to the men who loaded the truck with such dedication. Your teamwork and compassion are deeply moving and have a real, lasting impact here in Ukraine.

Dear Liliane, thank you for continuing to walk alongside us in this mission. Your care, your prayers, and your actions are bringing light into very dark places - and we could not do this without you and the OPE volunteers.

With heartfelt appreciation,

fr. Volodymyr Kmet,

Director
